PRESS RELEASE:

ICE PRO AND CHILLOUNGE NIGHT/FLORIDA FURNITURE RENTAL FORM STRATEGIC ALLIANCE

Florida Furniture Rental, a division of Chillounge Night, are proud to announce that they have formed a strategic partnership/alliance with Ice Pro, LLC.

Ice Pro provides professional ice sculptures, ice bars, and ice accessories backed by creative designs and expert craftsmen for your special event needs. With facilities in Orlando and Parrish, Florida, Ice Pro serves primarily the Central and Southwest Florida markets.

Chillounge Night is an established, upscale, event production company with one of Florida's largest and unique selections of furniture and decor items available to highlight any special event.

The partnership/alliance allows both companies to expand their product mix to existing and potential clients and to create new ideas for "the most memorable experience". Rainer Scheer, founder of Chillounge Night, said that "Joe and Lianne Rimer have built Ice Pro into a quality operation, with state-of-the-art facilities and a team of professional ice sculptors to enhance any special event. We are proud to work with them. Ice Pro and Chillounge Night both began our respective operations in 2008, and both our teams understand the importance of event planning, professional service, and how to bring that extra magic and touch to special events."
